Christopher Johnstone

Johanna Altstädter b. 9 October 1836, Uzhok

According to the IKG, Johanna Altstädter was born Jewish and converted to Roman Catholicism in 1891.

Her parents were Franz Altstädter and Elisabeth Kiss, whose father, Ludwig Kiss and his wife were present at Joanna's birth.

Joanna's husband was Philipp Stern (1830 - 22 February 1907) and his death notice was in the Neue Freie Presse on 24 February 1907.

His children were listed as Salo Stern, Lena Fischer, Moris Stern, Franziska Decker (my grandmother) and Marie Horanyi.

If you have a connection in your family tree to any of the people mentioned above, I would love to hear from you.

Sincerely,
Christopher Johnstone
