My mother and her family were born in Sveksna. Her surname was SMULOVICAS. My grandfather was Elijas. My grandmother's name was Rivke. My mother and two of her sisters came to Paris in about 1935. I was born in 1940. My mother is a Holocaust victim. She was taken to Birkenau in July 1943. One sister lived in Paris and one in Israel. They are now dead. I went to visit Sveksna with my husband in 2000.
